ABOUT OUR CAMP

Our beautiful, private, five-acre base camp boasts sandy beaches for camping, fresh mountain spring drinking water, a volleyball court, horseshoes, sinks and flush toilets. Picnic tables and BBQs dot the camp for those of you camping before your trip and wanting to cook your own dinner that night.

MOTELS

If you do not Add-On prior-night camping/breakfast, there are plenty of motels in the Fresno area from which to choose. If you do stay in Fresno, don't forget it will take you 1.5 to 2 hours driving time to reach our base camp. Meeting time is 8:30 am.

WET SUITS

For spring trips (through mid-late June), wetsuits are a must. During the spring, the water can be high and cold and we want you to be comfortable. Wetsuits are provided at no charge. NOTE: We no longer provide booties, as our self-bailing rafts keep your feet out of the water most of the time. You should bring along tennis shoes or river sandals or water socks to wear on the river. A nylon swimsuit (or other thin-material suit) should be worn underneath your wetsuit.

VEHICLES

Your vehicles are accessible when you are in camp. Since we do not need to carry gear on the rafts, you can bring along that extra large tent, sleeping cot, guitar, etc. **No radios or portable TVs, pets, or firearms!**

TRAVEL INSURANCE

Should you care to consider travel insurance, we have included contact information below. This insurance may cover loss of baggage and/or trip cancellation should you have to cancel your trip within our non-refundable time limit. For low-cost travelers insurance, call 800-937-1387 or 925-932-1387 (Monday thru Friday, 8:30 a.m. – 5:00 p.m. Pacific Time).

TIPPING

We are frequently asked whether it is appropriate to tip guides. While our guides are well-compensated for their skills, if you feel your trip was exceptional, or that your guide or guides went out of their way to make the quality of your experience a notch above the norm, tipping is always appreciated—and is a nice way of saying thank you.

GENERAL CANCELLATION POLICY

Please understand that when we initially accept your reservations, we MAY BE turning others away from your trip date, and if you cancel from a fully booked trip, the following will apply: if you cancel 60 days or more before your trip, you will receive a full refund. If you cancel 30-59 days before your trip, you will receive a 50% refund, and if either you or we can fill your canceled spaces, you will receive a 100% refund. If you cancel 30 days or less prior to your trip, no refund will be given unless you or we can refill your cancelled spaces, in which case you will receive a 100% refund less a \$25 per person cancellation fee. CREDIT CARD CANCELLATIONS will be refunded less a 3% fee that was charged to us when we initially ran your card.

DIRECTIONS TO ZEPHYR WHITEWATER BASE CAMP ON THE KINGS RIVER

ZEPHYR BASE CAMP is located on the banks of the mighty Kings River, approximately 63 miles east of Fresno. Travel time from the Fresno area is about 2 hours. You will be traveling around the entire northern edge of Pine Flat Lake (on what seems like an endlessly winding road). Stay on all paved roads and cross all bridges until you reach the Kings River Bridge. Cross the bridge and stay on the paved road for another 1/8 mile, and you will see our base camp. Follow directions from one of the next four sections, depending on where you are coming from.

COMING FROM THE NORTH (From Sacramento/Stockton area)

Stay on Highway 99 through the main part of Fresno. Just about one mile past the Belmont Ave exit, take the **Highway 180/Kings Canyon Exit**. This exit will take you over Highway 99 and you will then be heading EAST towards the mountains.

Stay on the 180 Highway about 12 miles to **ACADEMY AVE**. **TURN LEFT ON ACADEMY AVE** and proceed one long block to **BELMONT AVE**. Turn right onto Belmont Ave (heading east).

Now follow directions for **"EVERYONE"** at right.

COMING FROM THE SOUTH (Los Angeles area)

As you approach the town of **KINGSBURG**, take the **18th AVE EXIT** exit (also signed as **Road 12, 18th Ave Exit**). Turn right onto **18th Ave** (18th Avenue turns into Mendocino Ave after a few blocks) and head EAST, following the signs to **SANGER**, which is 14 miles away.

Heading north on **Mendocino**, go through Kingsburg and into Parlier. Go approximately nine miles on Mendocino until you hit **ADAMS AVENUE**. Turn left (west) on Adams and drive ½ mile to **ACADEMY AVENUE**. Turn right on Academy and you are again heading North towards the town of Sanger.

Continue traveling through Sanger until you come to the stop sign at **BELMONT AVENUE**, which will be about 1.5 miles out of Sanger. Turn right onto Belmont Ave (heading east).

Now follow directions for **"EVERYONE"** at right.

COMING FROM THE COAST ON HIGHWAY 41

Heading north on Highway 41, continue north through Fresno and you will merge onto the **180 FREEWAY** heading EAST towards Kings Canyon and the mountains. Once you have merged onto the 180 FREEWAY and are heading EAST, **continue approximately 12 miles to ACADEMY AVE**.

TURN LEFT ON ACADEMY AVE and proceed one long block to **BELMONT AVE**. **Turn right onto Belmont Ave** (heading east).

Now follow directions for **"EVERYONE"** at right.

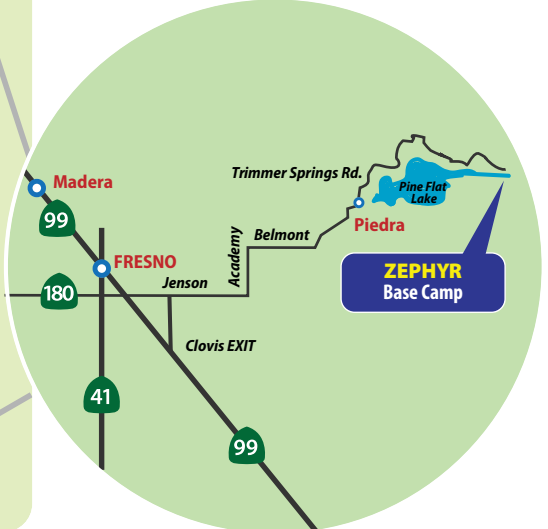

COMING FROM GRANT GROVE VILLAGE

From Kings Canyon/Sequoia area, proceed **WEST on Highway 180** toward Fresno. When you reach **SQUAW VALLEY**, turn **RIGHT** on **ELWOOD RD**, and proceed to **PIEDRA RD**. Turn right on **PIEDRA RD** to **TRIMMER RD**. Turn right. You are now in **PIEDRA**.

Now follow directions for **"EVERYONE"** at right (picking them up from "Piedra" of course).

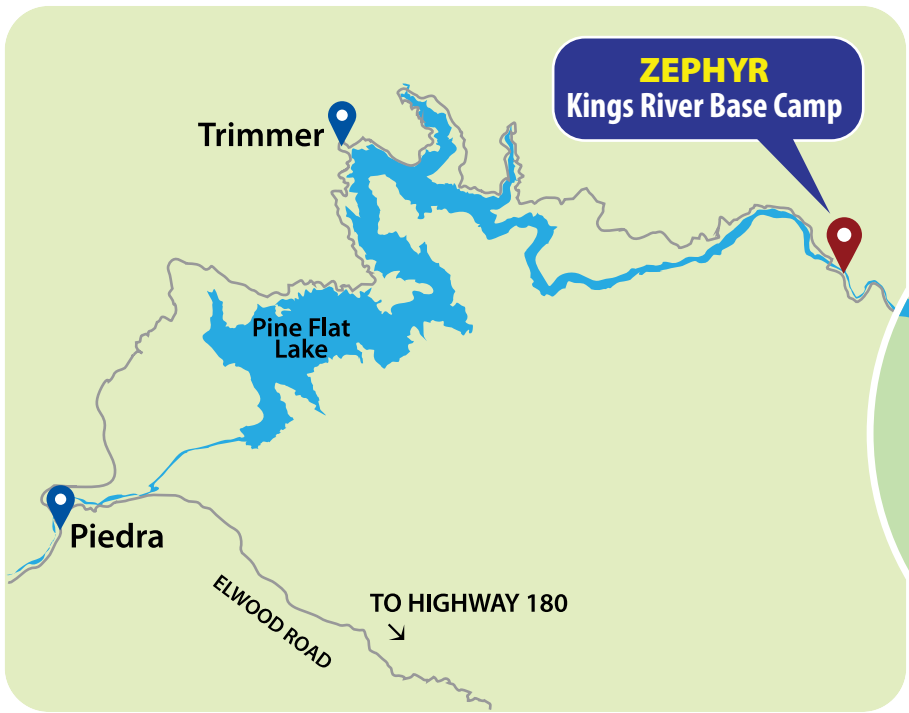

EVERYONE

- **At the BELMONT and ACADEMY Avenue intersection in Sanger**, set your trip odometer to zero. You have a 1.5 hour drive ahead.
- Proceed East on Belmont, which eventually turns into Trimmer Springs Road. Stay on Trimmer Springs and match your trip odometer with the following checkpoints:
- At approximately **13 miles**, you will pass the tiny community of **Piedra**.
- The community of Trimmer (no services) will be at mile **25.6**.
- At mile **30.7**, you will pass Sycamore Campground (Permanently closed).
- Big Creek bridge is at mile **33.3**.
- **Stay on Trimmer Springs Road (a good paved road), and CROSS ALL BRIDGES all the way to our Base Camp!**
- **The last cell phone reception** is at cell phone point, which is the highest hill you will climb before our Base Camp. There is a small sign that says "Cell Site".
- You will be getting close when you pass a power station on your right (brightly lit at night).
- At **mile 42**, you will pass Kirch Flat Campground (good campground) and immediately past Kirch Flat, you will cross the Kings River bridge. For late arrivals (after 11:00 pm), you should consider camping here and meeting us in the morning so as not to disturb our guests in camp.
- Once across the bridge, stay on the paved road and go 1/8 mile upstream to our Base Camp. As you approach our base camp, there will be a large parking area on your right with a sign that reads **"ZEPHYR RIVER EXPEDITIONS PARKING"** and a sign just up the road on the left that says **"ZEPHYR RIVER EXPEDITIONS BASE CAMP."** You will see our blue buses, other vehicles and a large semi in the sizable parking area on the right. This is where your vehicles will remain for the duration of your trip. The small dirt road on the left towards "Zephyr River Expeditions Base Camp" is where you will **WALK** to our camp to check in for your trip. **Please do not drive down the smaller dirt road into the actual Base Camp and camping area (this is reserved for company vehicles).**
- **TO UNLOAD YOUR GEAR** if you are camping overnight with us, go 100 yards past our main parking area (ON THE PAVED ROAD) to a small turnout on your left under a sign that reads **"Unloading Zone."** Steps lead down to our main camping area from this turnout—it is the best place to unload gear. Please don't park on the pavement or leave doors open... definitely stay on the dirt pullout! After you've unloaded, please drive back to the main parking area to park your car for the duration. Up until 10:30 p.m., this turnout spot is lighted.
- **QUIET TIME: Quiet time starts at 10:30 pm. Please respect other campers on your river trip, and our quiet hours.**
